GENERAL RULES AND REGULATIONS

- Kartzone Indemnity must be completed by all before driving
- Drivers under 18 years of age must have adult consent.
- Blocking, weaving, swerving and bumping is prohibited – only one warning is given thereafter disqualification (with no refund)
- Braking later than the brake markers is forbidden and is considered dangerous.
- Marshals/Officials/Staff instructions either verbally or by flag/signal are to be always obeyed.
- Karts may only proceed in anti-clockwise direction. (unless specifically advised not to)
- No driving permitted under influence of alcohol, drugs or any substance.
- No driving if pregnant or if you suffer from any serious medical conditions.
- Please ensure all head hair is tied up, tucked in and can't come loose when driving. In the event it does please stop safely immediately and wait for a marshal to attend. No loose items of clothing to be worn whilst driving. Only closed shoes permitted when driving.
- Hairnets or balaclavas must be worn under your helmet.
- Make sure your helmet is always secured – ask a Marshall/staff member to assist if you if necessary.
- Please always keep all body parts in the kart, and away from any moving parts.
- In the event of an accident/emergency or stoppage, wait for assistance from a Marshall.
- Please always keep both hands on the steering wheel - exceptions: please raise your right hand/arm to indicate that you are coming to a stop, to indicate danger or when entering the pit lane
- When entering/exiting the pits keep right and do so with caution. Drive at walking speed in the pit lane.
- The engine, exhaust and other parts are hot, please do not touch them at all.
- If you get injured or require any assistance, please inform our staff immediately.
- Motorsport is dangerous so please show respect to those around you and yourself, as well as to the karts.
- We do not refund after the session has started under any circumstance
- Please make sure you don't have loose or sharp objects on you when driving e.g., Keys, Phones, Wallet etc.
- Damage caused to our karts/property as a result of dangerous, reckless or negligent driving may be charged to you.
- In the interest of your safety & for your subsequent enjoyment, it is recommended to drive your first few laps at a reduced speed

TIP: If you're a first-time or inexperienced kart driver it is recommended to drive your first few laps at a reduced speed. This will help you learn the circuit and get closer to breaking the Lap
